Hello, friends! I miss you already! Here a few things you might like to explore during the next two weeks. Feel free to contact me with thoughts, feedback, and questions.

**\*\*We began discussion of independent learning projects last week. Please continue to research, search for ideas, and work as you can on your independent project. If I have not approved it, email me with your ideas and I will be in contact with you.**

**\*\*We love our brainteaser and hink pink warm – ups. Explore the following websites if you want to keep your brain “teased” the next two weeks.**

**\*\*A few of us have been reading, The Hobbit. If you can secure a copy, even if you have not been reading thus far, please try to do so. Bilbo Baggins, one of the main characters, is on an unexpected and new journey, just as we are with our modified school and the corona virus experience. What truly rich discussions we can have when we return!**

Hello from Pumpkin!
