

Isle of Wight County Schools Parent Resource Center

Georgie Tyler Middle School

Room B-135

23320 N. Court St., Windsor, VA 23487

The Special Education Parent Resource Center helps families:

- Become familiar with the special education process in Isle of Wight County Schools
- Learn about their rights and responsibilities according to the Individual with Disabilities Education Act (IDEA)
- Develop skills to become an effective member of their child's educational team
- Understand how to begin planning for their child's future
- Borrow materials for home use (games, activities, as well as books)
- Become informed about community resources and parent events
- Learn about information on workshops and training sessions provided for parents by the PRC or other community agencies.

5 Ways to support learning and school success

1. Regular attendance at school
2. Sharing information about student progress
3. Reinforcing shared learning
4. Using digital media in positive/ safe ways
5. Providing support during transitions to new schools and classrooms
