

Broc Smith
Georgie Tyler Middle School
Windsor High School
Director of Band/Chorus
757-242-3229

Dear Rising 5th grade Students and Parents,

The move to a new school will come with lots of new opportunities. Band is one of the new possibilities. The band program at Windsor spans the sixth, seventh and eighth grade years. Students must start in sixth grade in order to participate in seventh and eighth grade. No new entrants will be allowed after sixth grade. If you have an interest in playing an instrument now is the time to enroll.

After talking with your child,

- Please [use this link to fill out the Rising 6th Grade Band Instrument Choice form.](#)
- Please remember to make three choices of instrument. I cannot give everyone their first choice of instrument so please choose instruments that you would be willing to play.
- Instrument rental night will be held in September in the GTMS cafeteria.

Music & Arts Corporation will have instruments on hand to rent. [Please use this link to access their website for details.](#)

Instrument Choices: Flute, Clarinet, Alto Sax, Trumpet, Trombone, Baritone, Tuba, Bass Guitar, Percussion (drums).

Sincerely,
Broc Smith
