

AGiREPAIR Insurance for Grades 8 MACBOOKS

DEADLINE: 12:00PM Thursday, SEPT. 17

Isle of Wight County Schools has partnered with AGiREPAIR to provide an optional accidental coverage plan on student devices. The plan covers accidental damage, including liquid spills and cracked screens. It does not cover damage to the charger. *Note: It costs approximately \$300 for one cracked MacBook screen. **The cost for the AGiREPAIR insurance for the MacBook laptops used by 8th graders is \$79 per device.**

- The coverage plan is optional but recommended and provides coverage for one calendar year from September 24, 2026.
- **Money must be received by your child's school by 12:00PM September 17, 2026.**

To purchase AGiREPAIR insurance for your child's MacBook, you have 3 options:

- **Option 1) *ONLINE Payment** with the link to purchase on the GTMS website under Quick Links on the homepage listed as [Online School Store](#).
